The moment has arrived for the magic to begin,
 So come on down and join us,
 we'll be sure to let you in.
 We've got lots of cheerful faces
 and the joy you're dreaming of,
 And we wait for your arrival,
 ready to shower you with love.
 So, put on happy faces and get
 your smiles set,
 Camp Magic Moments just had its
 happiest summer yet!

From August 16 through August 27 the children had lots of fun at Camp Magic Moments. The children loved feeding and petting the goat and sheep staying on camp grounds. They baked challos, painted cookies, had color day and even launched rockets into the sky! The mock wedding was enjoyed by all. Lazy Daizy the clown came to paint the children's faces and/or hands too! Morah Ruchy also played music for us every day. We sang and danced to the music and had a ball! Boating and swimming was another favorite activity. All in all, everyone agrees that this year's Camp Magic Moments was the best one yet!

The older division called Shining Stars received extra privileges and went on their own trips. They visited Zishe's Bakery where they were given a tour of the grounds and each camper was able to choose something to take home. They also took a trip to Jerusalem Pizza Shop where they enjoyed a

delicious lunch. When the girls tie dyed their own T-shirts they had a lot of fun. Making a beautiful Havdalah kit was an arts & crafts project the girls took home. They also performed a choir and skit for the rest of the camp. Being a part of the older division truly was a special experience!

Special thanks goes to Mrs. Renee Rubinfeld, Mrs. Malky Tauber, Zahavie Kalish, (our head counselor), and all the counselors for giving the children such a great time at camp!

 **Summer Trips** 

The young men living on Albert Drive went on a weeklong trip to Niagara Falls this month and then attended a wedding in Toronto. They had a wonderful time and enjoyed the trip immensely.

The bachurim living on College Road visited the beautiful Howe Caverns, had a BBQ dinner and went boating in White Lake. They had a great summer and all are looking forward to returning to school and work!
