## Summer Fun At Magic Moments

Wow! What an exciting day the children had when they went to the carnival on Ashel Lane. They enjoyed the petting zoo and hayrides tremendously. Each child got 25 tickets and had fun going on the rides and playing the different games. The counselor to child ratio was 1:1, which ensured each child's participation in this event.

Now that the children are meeting, each Sunday at Morah Renee's house, they can enjoy being outdoors. One Sunday this month Morah Renee ordered a moonwalk for the children to enjoy. They also love to pet the two sheep and feed baby bottles to the goat that Morah Renee has living in her backyard. In short, the children love coming to Magic Moments!

## Funny Tidbits

😊 Devorah, one of the girls attending Magic Moments loves to feed and pet the baby goat in Morah Renee's backyard. Before leaving one Sunday, she went over to the goat and said, "I love you goat! Please wait for me next week. I'll be back to take good care of you!"

## Niagara Falls

Watching the water fall into the river at Niagara Falls was something the bachurim living on College Road truly enjoyed. They had a wonderful time on the boat ride and had fun while visiting many of the attractions that the falls have to offer. All in all, they loved this great summer trip!

## Shabbos Volunteer Captains

Can you use a break on the long summer Shabbos afternoons? We now have volunteer captains in each area, throughout Monsey, who will arrange for a volunteer to take your child out and give them a good time. If you are interested in having a volunteer visit your home on Shabbos, please call Mrs. D'vora Adler at ext. 269.

## Employee of the Month

Mrs. Toby Wieder, Yedei Chesed's assistant bookkeeper was the employee of the month for July. Her dedication, pleasant nature, punctuality and hard work make her a vital member of the Yedei Chesed team!
